

How to add “Visit Type” (Ambulatory, Emergency, or Inpatient) to selection criteria:

1. While logged into TriNetX Live, within either “MUST Have” or “CANNOT Have”, type or select “V Visits”, select the check box, then select “Add To Query”

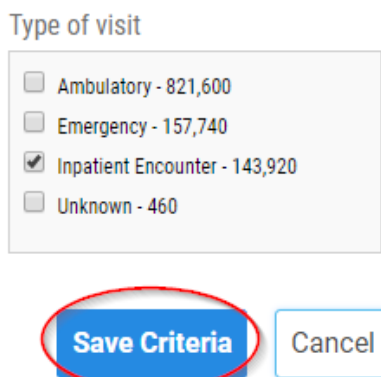

The screenshot shows the TriNetX Live interface. At the top, there are two tabs: 'MUST Have' and 'CANNOT Have'. Under 'MUST Have', the search term 'Visits' is entered. Below the search bar, there are several tabs: 'All', 'D Demographics', 'Dx Diagnoses', 'P Procedures', 'M Medications', 'L Labs', 'G Genomics', and 'V Visits'. The 'V Visits' tab is selected. Under the 'Visits' tab, there is a checkbox labeled 'Visit' which is checked. To the right of the checkbox, it says 'Patients 871,090'. At the bottom right, there are two buttons: 'Add To Query' (circled in red) and 'Cancel'.

2. Under “Visit”, select “Any visit type” to show the “Type of visit” to select for your criteria.

The screenshot shows the TriNetX Live interface. At the top, there is a 'MUST Have' tab. Below it, there is a search bar with the text 'Search Term...'. Below the search bar, there is a list of options. The first option is 'Visit' with a count of '871,090'. Below 'Visit', there is a sub-option 'Any visit type' which is circled in red.

3. Check the desired options, then select “Save Criteria”

The screenshot shows the TriNetX Live interface. At the top, there is a 'Type of visit' section. Below it, there is a list of options with checkboxes: 'Ambulatory - 821,600', 'Emergency - 157,740', 'Inpatient Encounter - 143,920' (checked), and 'Unknown - 460'. At the bottom, there are two buttons: 'Save Criteria' (circled in red) and 'Cancel'.

How to add Vitals to selection criteria:

TriNetX Live now contains Vitals for both Inpatient and Outpatient encounters: Blood Pressure Diastolic, Blood Pressure Systolic, Body Mass Index, Heart Rate, Respiratory Rate, Temperature, Weight, Height, and Oxygen Saturation.

1. **DIRECT SEARCH** - Within the “MUST Have” or “CANNOT Have” search box type the vital type (i.e. “Heart rate”) into the search box, select check box beside the item with the “L” icon and exact text, then select “Add To Query”.

OR

BROWSE – Within the “MUST Have” or “CANNOT Have” search box select the hierarchy icon then follow step 2 below.

MUST Have

Search Term...

2. Select the “L Labs” icon then within “Organized by:” select “Vitals”
3. Select your desired Vital(s) by selecting the box and selecting “Add To Query”
