

SHUTi-CARE Qualitative Coding

Start of Block: Default Question Block

Q1 Coder

- ☐ Heidi (1)
 - ☐ Jill (2)
 - ☐ Julie (3)
 - ☐ Kate (4)
 - ☐ Kelly (5)
 - ☐ Meghan (6)
-

Q2 Respondant ID (e.g., RXXXXXX)

Q4

Quote text (copy in complete quote from cell)

Q23 Quote in response to:

- ☐ How did SHUTi meet your needs // What could be different about SHUTi to meet more of your needs? (1)
 - ☐ What are reasons you think it would be helpful to others // What would have to be different about SHUTi to make you more likely to recommend it? (2)
 - ☐ What aspects of SHUTi did you like most? // What would need to be different about SHUTi for you to be satisfied? (3)
 - ☐ Why would you be drawn to using SHUTi again? // What would need to be different about SHUTi for you to consider using it again? (4)
 - ☐ How did your responsibilities as a caregiver affect your ability to complete SHUTi or follow the SHUTi program recommendations? (5)
 - ☐ How did SHUTi help you as a caregiver? (6)
 - ☐ SHUTi was initially developed among the general population. How did the educational content, recommendations, and delivery format fit for you as a caregiver? (7)
 - ☐ Recalling that SHUTi was initially developed among the general population, what kinds of changes, if any, do you think we should consider to make sure caregivers can more easily use it? (8)
 - ☐ How would tailoring intervention techniques, content, and delivery format to be more specific to caregivers change your experience with the SHUTi program? (9)
-

Q24

For the next items, select the response that best characterizes the quote.

If different parts of the quote represent different constructs, select "both" and copy portions of the quote for both responses.

Chose "neither" if there is no clear connection to the domain. Avoid this distinction unless there is no indication of a connection to the domain.

Use the code book below for reference: [HYPERLINK TO CODE BOOK]

Q6

Domain: (Dis)satisfaction

Is this quote about...

Note: For this item, the context of the question is pertinent. Use the question context to inform the resolution of any ambiguities in the response.

- ☐ Satisfaction / aspects of intervention to keep (1)
 - ☐ Dissatisfaction / aspects of intervention to change or tailor (2)
 - ☐ Both (3)
 - ☐ Neither (4)
-

Display This Question:

If Domain: (Dis)satisfaction Is this quote about... Note: For this item, the context of the question... = Both

Q7 Portion of quote pertaining to "Satisfaction / aspects of intervention to keep"

Display This Question:

If Domain: (Dis)satisfaction Is this quote about... Note: For this item, the context of the question... = Both

Q8

Portion of quote pertaining to "Dissatisfaction / aspects of intervention to change or tailor"

Q9

Domain: Engagement

Is this quote about...

- ☐ Uptake (1)
- ☐ Continued use (2)
- ☐ Both (3)
- ☐ Neither (4)

Display This Question:

If Domain: Engagement Is this quote about... = Both

Q10 Portion of quote pertaining to "Uptake"

Display This Question:

If Domain: Engagement Is this quote about... = Both

Q11

Portion of quote pertaining to "Continued use"

Page Break

Q12

Domain: Caregiver specificity

Is this quote about something that is...

- ☐ Unique to caregivers (1)
- ☐ Pertinent to anyone (2)
- ☐ Both (3)
- ☐ Neither (4)

Display This Question:

If Domain: Caregiver specificity Is this quote about something that is... = Both

Q13 Portion of quote pertaining to "Unique to caregivers"

Display This Question:

If Domain: Caregiver specificity Is this quote about something that is... = Both

Q14

Portion of quote pertaining to "Pertinent to anyone"
